Subject: Standalone Neonic RTC Document
Attachments: Draft OPP Response to Public Comments on Neonics PID_v06_mbk_mam_DF.docx

Hi Marianne,

Attached you will find the standalone RTC document. I tried to beef up areas that Dana had some concerns over, and I added a Section IV that lists out all of the documents that will publish concurrently with the PIDs. I thought this was a better solution to listing all of the benefits documents to a particular comment. Please let me know if you'd like me to forward this to anyone else.

Thank you,

Matt
